We continued to do outreach to participants to drive attendance at the *Facilitative Leadership* online training as well as the *Dementia Beyond Drugs* training in Akron in December.

Upcoming Events: There are no more events for this project. Dr. Amy Elliot, PhD is currently working on the analysis of the evaluations and findings from the project.

Lessons Learned and Adaptations

For the *Facilitative Leadership* online training, we cancelled the class on Wednesdays, November 13 – December 18, 2019 due to low attendance (2) and moved the registrants to another event.
