TO: Eligible Providers of Medicaid Services

**FROM: Barbara R. Sears,
Director, Department of Medicaid (ODM)**

SUBJECT: Rule update – Application by a former participating Medicaid provider to resume participation in the Ohio Medicaid program [except for Medicaid contracting managed care plans (MCPs)].

Summary

Ohio Administrative Code rule 5160-1-17.7, entitled, Application by a former participating Medicaid provider to resume participation in the Ohio Medicaid program [except for Medicaid contracting managed care plans (MCPs)], describes general factors of consideration and responsibilities of ODM when determining whether a provider may resume participation in the Ohio Medicaid program following a voluntary or involuntary termination. The rule also details agency responsibilities surrounding notification of application outcome to providers requesting re-enrollment in the Ohio Medicaid program. This rule was reviewed as part of the five year rule review and has been amended to reflect the change in Medicaid program authority from the Ohio Department of Job and Family Services (ODJFS) to the Ohio Department of Medicaid (ODM). Rule references cited within the text have been updated to reflect the change in agency number, where the cited rule can be found in the Ohio Administrative Code (OAC) and language has been updated for consistency with current law.
