Ohio Medicaid Managed Care

Most individuals covered by Medicaid access important services and care through one of Ohio's five managed care plans.

- Buckeye Health Plan
- Care Source
- Molina Healthcare
- Paramount Advantage
- UnitedHealthcare

Managed care plans work with doctors, hospitals, and medical specialists who will give you the care you need.

Ohioans covered by a Medicaid managed care plan receive:

- a primary care doctor
- access to member services for coverage concerns
- access to a 24/7 medical advice hotline
- health educational materials and more

By choosing a plan that is right for you, you will have a partner in getting better and staying well.
